CERTIFICATE

The inspection of Principal Angels Public Model School Khanni Tehsil Nurpur Distt Kangra HP has been conducted by the Assistant Engineer Sub Division HPPWD Nurpur accompanied with Junior Engineer .On the basis of their inspection report it has been found that no Earthquakes resistant norms have been adopted for the construction of School building .No Structural drawing approved by the competent Govt Agency were produced by the School authority .The structure of the building is a non Engineering structure . Hence the structural safety of building cannot be ensured specially from earth quake point of view and this department will not be responsible for any type of loss of life and property etc .if this structure fails under any circumstances.

.This department could not assess the structural safety of said building as the same was not constructed under the supervision of this department. However as per visual inspection the building appears to be safe and accordingly the building safety certificate is being issued by the department for the session 2026-27 .
